

# AKSHAY SAPRA

## UI/UX DESIGNER · WEB DESIGNER

Toronto, ON, Canada | +1 437-733-7255 | akshaysapra99@gmail.com | [LinkedIn](#) | [Portfolio](#)

### PROFESSIONAL SUMMARY

- **UI/UX & Web Designer with 4+ years of experience** creating responsive, accessible, and user-centered digital experiences across healthcare, e-commerce, and SaaS.
- Skilled across the end-to-end design processes, user research, wireframing, prototyping, and usability testing — in Figma and Adobe XD, with hands-on front-end skills in HTML5, CSS3, JavaScript, and React.js to bring designs to life accurately.
- Track record of measurable impact: reduced user task completion time by up to 35% and lifted client conversion rates by 22% through research-driven design decisions.
- Authorized to work in Canada and based in Toronto, ON — open to on-site, hybrid, or remote opportunities.

### CORE SKILLS

**UX Design:** User Research, Wireframing, Prototyping, Information Architecture, User Journey Mapping, Usability Testing, A/B Testing, Heuristic Evaluation, Design Systems

**Design Tools:** Figma, Adobe XD, Sketch, FigJam, Miro, Zeplin, Canva

**Front-End Development:** HTML5, CSS3/SCSS, JavaScript (ES6+), TypeScript, React.js, Tailwind CSS, Bootstrap, Material UI

**Accessibility & QA:** WCAG 2.1 AA, Cross-Browser Testing, Responsive/Adaptive Design

**Collaboration:** Agile/Scrum, Jira, Confluence, Notion, Slack, Git/GitHub

### PROFESSIONAL EXPERIENCE

#### UI/UX & Web Designer | Freelance / Remote *Sep 2023 – Present*

*Toronto, ON*

- Designed and delivered 15+ responsive websites and web applications for clients across e-commerce, healthcare, and SaaS, increasing average client conversion rates by 22%.
- Conducted user research sessions (interviews, surveys, card sorting) with 50+ participants per project, translating insights into actionable personas and user journey maps.
- Created wireframes, interactive prototypes, and high-fidelity mockups in Figma, reducing design iteration cycles by 30% through early stakeholder feedback.
- Built reusable component libraries and design systems in Figma, ensuring brand consistency across 10+ client projects and accelerating design-to-development handoff by 40%.
- Developed front-end interfaces using React.js, Tailwind CSS, Material UI, and HTML5/CSS3/SCSS, achieving 98% cross-browser compatibility and Lighthouse performance scores above 90.
- Implemented WCAG 2.1 AA accessibility standards across all projects, passing automated and manual audits with zero critical violations.

- Applied animations and micro-interactions using Framer Motion and CSS transitions, improving user engagement metrics by 18% as measured by session duration.
- Collaborated remotely with cross-functional teams (developers, product managers, QA) in Agile sprints using Jira, Notion, and Slack to deliver projects on time and within budget.

## **Web Designer & Frontend Developer | Innovnix Tech Solution***Aug 2021 – Apr 2023*

*India (Remote collaboration with international clients)*

- Designed and developed 20+ interactive web pages for client projects using Figma-to-code workflow, achieving pixel-perfect fidelity with less than 2% deviation from approved mockups.
- Built modern, responsive UI components using React.js, Bootstrap, Tailwind CSS, and Material UI, reducing page load times by 25% through performance optimization.
- Conducted usability testing with 30+ users per iteration, identifying and resolving 15+ critical UX issues that improved task completion rates by 28%.
- Created comprehensive wireframes and interactive prototypes for 8+ enterprise-level applications, streamlining the design approval process from 2 weeks to 5 days.
- Ensured pixel-perfect design fidelity, responsive layouts across 12+ device breakpoints, and cross-browser compatibility (Chrome, Firefox, Safari, Edge).
- Integrated RESTful APIs with frontend interfaces, enabling real-time data display and reducing backend-frontend integration time by 35%.
- Participated in bi-weekly design reviews and code reviews, improving code quality scores by 20% and maintaining consistent design language across the product suite.
- Mentored 3 junior designers on design systems best practices, Figma workflows, and responsive design principles.

## **EDUCATION**

---

### **Post-Graduate Certificate, Backend and Blockchain Development & Cloud Computing**

*York University, Toronto, Canada — 2025*

### **Master of Science in Computer Applications and Information Technology**

*Gujarat University, India — 2021*

## **CERTIFICATIONS**

---

- Google UX Design Professional Certificate — Google (Coursera)
- Responsive Web Design Certification — freeCodeCamp
- Meta Front-End Developer Professional Certificate — Meta (in progress)
